July 2021

Dear Parents and Families:

Thank you for participating in our Interlochen Online Summer program. Enclosed you will find a certificate recognizing your student's participation in their transformative arts program. Our online season was filled with amazing accomplishments by each Interlochen student.

We always strive to make each program even better than the one before. Your responses to the surveys we have sent out help us to improve. We thank you for contributing your thoughts to this effort.

The Fall 2021 term of Interlochen Online will be open for registration soon. We hope that your student's experience this Summer was an enriching and fulfilling one, and that you are considering Interlochen in your future plans.

Sincerely,

Camille Colatosti, PhD
Provost

Jason Hubbard
